MRSC Rosters is a membership roster service for Washington local governments, which currently maintains individual small public works and consultant rosters for **223 cities, counties, and special purpose districts** across Washington State.

A few public agencies have graciously provided meeting space, so I hope that you will join me to learn how MRSC Rosters could benefit your public agency. Space is limited so please RSVP, indicating the specific presentation, to Stacia Sander at mrscrosters@mrsc.org or by phone at 206-625-1300.

I look forward to meeting you then!

Ellen Hutchinson, MRSC Rosters Manager
